It is with great pleasure that we are nominating Aspen/Snowmass aka *Aspen Skiing Company* for the **Tommi Tyndall Award**. The Tommi Tyndall Award is presented to an industry member that has made a distinguished contribution to skiing and/or the Far West Ski Association in the past year or in prior years. We are pleased to nominate Aspen/Snowmass for this Award, in recognition of its outstanding support of the skiing public, the local community and the Far West Ski Association.

Aspen/Snowmass has been a devoted supporter of the Far West Ski Association, having donated ski vacation packages to the **Annual Convention Silent Auction** for thirty-two years. Aspen/Snowmass has been activity and event sponsors for eleven years. Such activities have included the golf tournament, wine sponsor, banquet sponsor and band sponsor.

Aspen/Snowmass was the **Safety Person of the Year Sponsor** for five years and have been sponsors of the **Environment Award** for the past six years. Aspen/Snowmass, an early leader in the ski industry reducing their carbon footprint, proposed the Environment Award for FWSA in 2015. The Environment Award is designed to encourage good stewardship of our environment. They want to inspire and reward creative efforts to conserve and protect our environment.

This year, Aspen/Snowmass has hosted FWSA with another successful ski week as they have many times in the past.

For their outstanding support of the skiing public, the local community and the Far West Ski Association, clubs and councils, Aspen/Snowmass is certainly deserving of recognition as a recipient of the **Tommi Tyndall Award**.
