

Gloria Raminha & Far West Ski Association

presents the **2021/22 President's Award** to

Joe Harvis

It is with great pleasure to present the President's award to someone who works tirelessly for Far West Ski Association. When I say this person works tirelessly, what I mean is, you can contact him just about any time of day, night or early morning hours (like 3:00 am), and he almost always responds and is ready to help.

I'd like to give recognition for this person's exceptional assistance to our Board of Directors. In 2018, we did not have anyone in the position of VP of Communications, so I asked him if he would be willing to take on the position. I am so glad he said yes. Since then, he has taken the VP of Communications position to a whole new level.

He strives to coach and improve all our skills with the useful tools given to us for the use of our new and improved FWSA website. When articles for our Publications are written, he spends countless hours proofing them. He assists just about everyone on the board at some level.

With all this said, and much more that I have not mentioned, it is my honor to present the President's award to Joe Harvis.
