FAR WEST SSKI FOUNDATIONS

Far West Ski Foundation Supports Women's Ski Jumping USA: Women's Ski Jumping USA is a nonprofit group, with more than 60 percent of their annual budget provided by individual donation, fundraising, and grant support. WSJ-USA has a goal to raise \$60,000 by 2016 for the Fly Girls Athlete Development Program and Camp. It takes a village of motivated and caring people and coaches to create a movement and raise an Olympian. Hundreds helped women's ski jumping get into the Olympic Games and are now pushing that momentum forward to bring

up the next generation of Fly Girls. If you are interested in donating to WSJ-USA, please do so today by sending your contributions to the Far West Ski Foundation, which will in turn send your donation on. Contributions may be made online at: www.farwestskifoundation.org or by mail to: FWSF, Box 861, Fallbrook, CA 92088.

FAR WEST CHARITIES

Charities and Community Service Recognition Program: FWSA encourages all clubs and councils to get involved with charities and community service. Change were implemented for the 2014/15 Charity Recognition Program by creating two different levels of applications for Clubs: There will be the Novice and the Masters award. Any Club that has won first place in this wonderful Recognition Program in a past year will apply in the Masters category. All other Clubs will be in the Novice category.

The 2 separate levels will hopefully give all groups an added incentive to apply, and then to apply again. The first prize in each Club category will be \$200 and for second place \$50. The Council award remains the same, with one category and with a \$100 recognition for first place. All prizes will be donated to the charity of the Clubs and Council's choice. The top 4 Clubs in each category and the winning Council will be invited to display a picture board at Convention. All groups that apply will be recognized at Convention.

Information and applications can be obtained on the Far West website: www.fwsa.org regarding this wonderful program, and how easy it is to apply for this recognition. For any Charity & Community Service questions, contact Sigrid Noack at sig4ski@earthlink.net.

SKI NATION MOBILE APP NOW AVAILABLE

Olympic Gold Medalist and World Champion, *Billy Demong* and former U.S. Ski Team member *Jack Turner*, announced the official launch of their **Ski Nation Mobile Application**, available now on iOS (iPhone). Android version launches Friday, November 21, 2014. The Ski Nation Mobile App features updated snow conditions, trail reports, trail maps, photos, and resort information for more than 950 ski areas in North America, a list that's expected to grow as more off-the-radar areas are found. All ski venues are pre-loaded including downhill alpine areas, cross-country, and even ski jumps. The list includes major resorts, regional areas, local ski hills, and community facilities. Skiers and snowboarders can also collect free digital pins to track a lifetime of all the places they've been, how many seasons on snow, gear preferences, skill, and more.

"Ski Nation is for all skiers regardless of age, experience, skill, or their home mountain," says Billy Demong. "This is the first app that includes alpine, cross country, and ski jumping." "It's the modern version of old-school ski pin collecting," says Jack Turner. "Ski areas large and small have submitted unique designs that users can keep in an online pin collection. They're in one place, won't get lost, and digital ski pins don't rust." The first version of Ski Nation is a starting platform to build an open, independent, and comprehensive network for skiers and industry members to connect. or skiers, it's free and their personal information is secure. "This is a humble start to a never-ending work in progress," says Turner. "We're a grassroots, bootstrap operation and success is only possible with the support and participation of skiers, snowboarders, and industry members across the continent. After that we'll go global."
