## WHO & WHAT'S NEW FOR 2020

**Far West's Celebration of 90 Years:** A focus team convened on December 7, at the Winter Far West Board Meeting in Portland, to work on plans for the birthday plan. The plan is to make the birthday self-supporting yet affordable to the attending member, while offering a memorable experience. One possible idea may be a two-night harbor cruise after a meetup earlier in the day. Plans envision a congratulatory "memory book" and pin. If you want to receive bulletins on the progress and plans for the party in San Francisco October 10, 2020, send an email to [fwsa.watson@gmail.com](mailto:fwsa.watson@gmail.com) with FWSA90 in the subject line. The first informational bulleting should be emailed early next month to those who have "signed up."

## FAR WEST HISTORY

**Far West Historic Ski Clubs:** Far West currently has nearly 30 clubs with 50+ years of service to skiing. They’ve all been verified by FWSA with evidence of their continuous operation. Looking at all of our clubs and councils, we know that we can double our listings of historic ski clubs. Evidence of eligibility is established by applying, presenting proof of operation (minutes, newsletter, newspaper article, incorporation doc, etc), and submitting a high-resolution, reproducible of your logo to the *History Committee* **prior to the March 31st deadline**. Go to the Far West web site ([clubexpressfwsa.com](http://clubexpressfwsa.com)), click on Recognition/History/ Historic Ski Clubs for info and application. Being a Historic Ski Club entitles your club to use the historic medallion on your web page and stationery. And start using the Historic Ski Club as subtext to your club name in rosters published in the Far West Skiers Guide, council roster and other related placements. If you’re entitled to this recognition, make use of it! Start now to find your archival documents and be ready to submit them to the chair before the spring deadline. Certificates of Recognition will be printed and presented at the FWSA convention.
